The SIN can be found for sale at the following places. R. D. Clements & Co Van Culin Bis.

Mayor Yelser has an appoinuity how sincere ha is in its landable have them enforced!

A great drain on the public treasury is the expense of the lockupin Paducah. The lockep keeper is 1ski in fees, receiving fitteen cents or each meal served the prisoners. An ordinance is now before the council, and has been given first passage, secreasing the remeers tian to twenty cents. Mayor Yelser thinks this is too much especially at this time when the city is in no condition to couniva at extraval games and his signified bis intention of vetoing the ordinance should it be given final passage. This indicates that he desires to do a hat is best for would probably safe a sill consecutive for the control of vetoing the ordinace should it be given final passes. This indicates that ha desires to dowinat is best for the city and timing it best not to increase the lockup.co per's fees, but he can save himsel'the unpleasant duty of placing his liss; proval on an act of the conneil, which would experiment waiting for as further action of the conneil, which would effectively kill the edilmane for remineration of any office. This might be discourteous, but it would doubtless be no more so than a veto, and would at the same time accomplish his object of the same veto, and would at the same time accomplish his object of the same time accomplish his object of the same veto, and would at the same time accomplish his object of the same veto, and would at the same time accomplish his object of the same veto, when his object of the same veto object of the same veto object of the same veto object of the same veto, and would at the same veto object of the same veto, and would doubtless be not object of the same veto object of the same vet

ng, agreeing to pay to the city 1,500 for the cflice of Iockup keeper three cents a line.

The people of some sections are peculiarly exotianis, asian arent that consistent the second class charter perhaps he lockup keeper, hut under the second class charter perhaps he lose not. If he does not, for this treason no binding agreement could be made with the gentleman to give him the errors for four years. The present out the corner so discuss case, and office for four years. The proposition, however, at least signifies that too much has been paid for maletaining much has been paid for maletaining will have

the fockup, and the mayor will have to give a mighty good reason for not selecting out ment of the after worth, a Keutockian, now in this city, has enough it.

THIS SHOULD STOP.

The seits keep piling np against the city. No one seems to have any idea have many there are, or what they are had had five wells lawhich to run taged rail to the various magistrates ourts, and there are actions for everything from causing animals to be injured by lafting through rotten sewers or into holes, to refusing to pay
